**Cornus sericea**

**Redosier dogwood**

Moderately fast growing shrub to 15’ tall and 10’ wide.
Deciduous.
Fragrant white flowers in the spring through summer.
Best in part sun to full shade.
Grows faster and larger in moist shady conditions.
Brilliant fall color.
Excellent shrub for a butterfly garden.
Good for erosion control near streams and ponds.
Tolerates clay.
Tolerates seasonal flooding.
Tolerates deer.
